Let's work together for a better tomorrow

12 Umoor-Dallas

Al-Dai al-Ajal Syedna Mufaddal Saifuddin TUS has divided the matters of Jamaat into 12 functions (Umoor). This classification will increase the effectiveness and efficiency of the Jamaat, so that its maximum benefits reach mumineen.

The 12 Umoor are a platform for Khidmatguzaars to attain the khushi of Syedna al-Dai al-Ajal (TUS); to serve mumineen better; to move from day-to-day management of the Jamaat to a goal driven organization; and to monitor the Jamaat's progress.

Every committee has a Umoor Head who will be leading the activities of that umoor.
